Toelles Road Update

Per the Wallingford Town Engineer, the Toelles Road closure has been extended from November 30 to December 16, 2026, with the road expected to fully reopen that morning.

Additionally, the North Haven Police Department has implemented a new traffic pattern following an engineering study:

As of November 20, 2026, the intersection of Hartford Turnpike (South Turnpike Road) and Toelles Road is now a 3-way STOP. Please be aware of the change and drivers must come to a complete stop at all stop signs. Police officers will monitor the intersection over the coming months and enforce the new pattern as needed.
