PRESS RELEASE

The Wallingford Town Council recently formed a Fair Rent Commission in accordance with Connecticut General Statutes Sec. 7-148b. The Council anticipates that this commission will hear complaints from tenants about grossly excessive rents and inappropriate living conditions. The Commission will have the authority to make decisions regarding these conditions.

As such, the Council is seeking qualified applicants who are interested in serving on this Commission. The full Commission will be five full members and two alternate members. The Commission must include one tenant and one landlord to serve as Commissioners. Any applicant must be an elector in Wallingford, i.e. registered to vote.

If a resident feels that this is a way that he or she could contribute to their community, or for more information, please see the town web site, at www.wallingfordct.gov and find the Fair Rent Commission in the "Recent News."

The Council expects to interview and appoint Commissioners in April of this year. The Council appreciates your consideration of this important service to our community.
