*Effective 2/17/2023, a **Certified Food Protection Manager (CFPM)** must be on-site during peak hours of operation (whenever food preparation is occurring) and maintain an **up-to-date certification** from one of the CT DPH-approved testing organizations listed above.

*Effective 4/1/2022, **Prometric** is no longer offering the Certified Food Protection Manager exam. Those who pass the Prometric exam that was offered prior to this date are still acceptable to meet the regulatory requirement in Connecticut for being a Certified Food Protection Manager.
