

⑥ Steps to Pay via Automated Phone Call

Our automated pay-by-phone system makes paying your bill fast and easy. Simply call the number below and follow the automated prompts to make your payment in minutes.

Plus, paying by phone is safer than mailing a check because you won't be susceptible to mail theft or fraud.

1 Dial the automated phone payment number:

2 When prompted, enter your account information. *Make sure you have your invoice handy.*

3 When prompted, enter your payment method information.

4 Confirm your payment amount.

5 Receive your payment confirmation number.

6 *Optional: After your payment is complete, save your payment information to make your next phone payment quicker and easier.*
