### **Coupon Program for Seniors and Residents with a Medicare Card**

(A benefit paid for by all Wallingford taxpayers)

Wallingford seniors (65 years and older) and residents under 65 years of age who have been issued a Medicare card may purchase a \$5 permit and receive a coupon book (with coupons valid through early March of each year).

#### **TO GET A PERMIT AND COUPON BOOK:**

- Coupon Books can be purchased at the Resident Disposal Center. The price of the \$5 permit will not be prorated or refunded. To apply for this program, an eligible resident should bring:
  - ✦ CT Driver's License or CT Identification Card (available at DMV) with a Wallingford address
  - ✦ a valid Medicare card (if applicable)
  - ✦ AND vehicle registration\* showing a Wallingford address for the vehicle that will be used to deliver trash to the disposal site. \*A permit will not be issued for a commercial vehicle.

#### **TO USE THE COUPON BOOK:**

- The eligible resident receives 2 coupons/week. Delivery must be done in person only in a permitted vehicle. Coupons are only valid for the resident's own household trash. One coupon equals a container (plastic bag, paper bag, trash container) of 30-gallon capacity or less (and 40 pounds or less).
- Additional trash may be brought to the Resident Disposal/Recycling Center but the eligible resident will pay the regular rates for trash delivered in excess of 2 bags in any one week or for trash that is not in containers.

#### **PROGRAM RULES:**

- Only one coupon book per residence will be issued.
- If an eligible resident owns multiple Wallingford residences, a coupon book will be issued only for the primary residence in which that resident resides.
- Those living in a facility where trash service is provided are not eligible to receive a coupon book.
- All residents are to recycle (see the Recycling flyer for specific information).
- All residents must follow Resident Disposal/Recycling Center rules.
- Violation of the rules will result in loss of coupon book and possible suspension from the program.
