RE: Unregistered and/or Out-of-State Motor Vehicles:

State: «STATE» Year: «Year» Make: «Make» Model : «Model» Vin: «VIN»

Dear Property Owner:

It has come to our attention that there are one or more unregistered motor vehicles and/or out-of-state motor vehicles stored on a property you own in Wallingford. Under Connecticut law, vehicles registered out-of-state or unregistered motor vehicles stored or located in the Town of Wallingford as of October 1st must be declared to the Town of Wallingford for inclusion on the current Grand List.

A Personal Property account in your name has been created so you can properly declare these vehicles to our office. You are required to file a declaration on or before November 1st. If you are not the owner of the vehicles, please submit a listing, describing the vehicles, who the owners are, and their mailing address so we can properly assess the correct owners. Failure to declare the vehicles, or disclose the name of the owner of the vehicles, will result in it being assessed to you. According to Connecticut State law there is a 25% penalty for not filing or for filing late.

Attached to this letter is some general information that may be helpful to you. Please review this information and retain it for future reference.

It is not our intention to penalize anyone and we are always available to assist taxpayers in filing their property. ***If you believe that these vehicles are not subject to personal property tax, you must contact our office immediately and be prepared to provide all acceptable documentation.*** Should you have any other questions with respect to this matter, or need assistance in filing, please feel free to give us a call.

Thank you for your attention in this matter.

Sincerely,

Kevin Coons
Assessor
