LEGAL NOTICE

Water and Sewer Charges
Wallingford, Connecticut
Effective July 1, 2024

Pursuant to Chapters 102 and 103 of the Connecticut General Statutes, as amended, and Chapter XIV of the Charter of the Town of Wallingford, notice is hereby given that the Board of Public Utilities Commissioners of the Town of Wallingford, acting for itself, held a Public Hearing in Room 315 at the Wallingford Town Hall, 45 South Main Street, Wallingford, Connecticut, on Tuesday April 16, 2024, at 6:00 P.M., for the purpose of revising Water Division Charges Terms and Conditions, Water Quarterly Consumption Charges [Basic Service Fee, Consumption Charge, Non-Metered Charge, and Private Fire Line Charge], and Water and Sewer Payment Terms and Conditions as shown below. Such revisions shall become effective for all water invoices rendered on and after July 1, 2024.

These revised charges were placed on file with the Clerk of the Town of Wallingford, Connecticut, on May 2, 2024.

Unless revised as set forth herein all other water and sewer terms and conditions, service policies, usage charges, service charges, miscellaneous charges, and payment terms and conditions will remain as in effect prior to the adoption of said revisions.

Any appeals from such charges must be taken within twenty-one (21) days after said filing with the Clerk of the Town of Wallingford, Connecticut.

WATER DIVISION CHARGES

TERMS AND CONDITIONS:

This rate is applicable to all water consumers of the Town of Wallingford when the water supply for said service originates from surface water reservoirs, groundwater wells and other facilities owned or used by the Town of Wallingford or its Water Division.

Water service is available by application only and will be on the basis of measurement through one meter. Consumers serviced by more than one service for the same property shall be separately metered for each service and shall be charged the applicable rates for each separate meter. Consumers with one service, though multi-metered, shall be charged the applicable rate for each individual meter.

QUARTERLY CONSUMPTION CHARGES

METERED CHARGE:

The quarterly charge for water service shall consist of the Basic Service Fee (BSF) plus the consumption charge as tabulated herein per meter for all consumers.

WATER AND SEWER PAYMENT TERMS AND CONDITIONS

WATER AND SEWER DIVISIONS PAYMENT POLICIES:

1. All charges of the Water and Sewer Divisions are due by the date indicated on the bill. Interest shall be charged on the first day following the due date on any unpaid water and/or sewer charge balance on that date. Interest shall be charged in accordance with the General Statutes of the State of Connecticut.
2. A property lien may be filed by means of a continuation certificate upon the benefited property, after thirty days from the due date of the bill, for all unpaid balances of \$10.00 or more. Lien certificates shall be filed and lien fees charged in accordance with the General Statutes of the State of Connecticut.
3. Partial payment shall be applied first to interest charges, then to water and/or sewer charges and lastly to lien charges.
4. A \$35.00 fee per transaction will be charged to a customer's account for checks returned due to insufficient funds.
5. A charge of \$80.00 will be rendered for conducting a final meter read and/or inspection, and the issuance of a final water and/or sewer bill.

Dated at Wallingford, Connecticut, this 2nd day of May 2024.

Robert N. Beaumont, Chairman
Board of Public Utilities Commissioners
