

# Cold Weather Protocol

The state will be entering a Severe Cold Weather Protocol beginning Sunday, 1/19/2025 @ 6 PM until Saturday, 1/25/2025 @ 12:00. Per Mayor Cervoni the Town of Wallingford Emergency Management wants to ensure those in need of assistance during this very cold weather are aware of their options to stay warm.

To find a warming center individuals may dial 211 or visit:  
<https://uwc.211ct.org/get-help/warmingcenters/>

During normal business hours (5AM—9PM) there are Warming Centers at each Wallingford YMCA location:

81 South Elm Street and 8 North Turnpike Road

In addition, there are multiple area resources available to assist after normal business hours.

- Meriden Women and Families Center – 169 Colony Street
- Margaret L. Keefe Community Center – 11 Pine Street Hamden
- Grace Church – 93 Main Street Middletown

We hope all residents stay warm and safe during this very cold weather.
