Wallingford Police to Conduct Distracted Driving Enforcement

Members of the Wallingford Police Department will join other state and local police departments throughout the month of April by making concerted efforts to enforce various distracted driving laws such as those involving the hand-held use of cellphones while operating a motor vehicle. These efforts will take place on local and state roadways within the Town of Wallingford.

Funding for this effort has been made available by the police department's participation in a State of Connecticut Department of Transportation Highway Safety Grant. This funding supports the staffing necessary to allow the Wallingford Police Department to dedicate time and resources with the ultimate goal of reducing traffic accident related deaths, injuries and property damage.

Please contact the Wallingford Police Traffic Division at (203) 294-2815 with any concerns.
