RE: Town of Wallingford Funding 2026
Social Services Contributions

Dear Nonprofits Seeking Town Funding:

You are receiving this letter because your agency or organization benefits or has expressed an interest in benefitting from funds from the Town of Wallingford, granted in the Town's annual budget. As you may be aware, my office is evaluating each organization's funding request for inclusion in the Town's annual budget.

Prior to reviewing and recommending approval of your social services contribution request, your agency is required to provide the following documentation:

1. A detailed explanation of your agency's intended use of funds allocated from the Town Budget;
2. A statement describing the potential impact on your agency should these funds not be awarded; and
3. Your agency's current operating budget.

To ensure adequate time for Town staff to prepare the FY 2026–27 budget, all requested materials must be submitted to my office no later than **March 5, 2025**.

Kindly confirm that you have received this letter.

Sincerely,

Vincent Cervoni
Mayor
