Certified Police Officer Application Process Opens

The Wallingford Police Department has been actively addressing staffing needs within the agency over the last 14 months. The agency is pleased to announce the hiring of (6) entry-level police officers and (1) Certified Police Officer during that time span with each officer in various stages of their training process. The addition of these officers allows the agency to engage in more proactive police activities and the ability to replenish shortages in the patrol and special services divisions.

We would like to announce the opening of a Certified Police Officer Hiring Process. Applicants must be either active Connecticut P.O.S.T.C. Certified Police officers in good standing with their current department or have retired in good standing, still having Connecticut P.O.S.T.C. Certified Police Officer certification status.

The application process will run until October 7, 2022. Those wishing further information should visit the Wallingford Police Department Website at

www.police.wallingfordct.gov
