1. The purpose of the Wallingford Electric Division's (WED's) Home Energy Savings™ (HES) policy is to encourage the WED's residential customers to obtain an evaluation of their home's energy efficiency, and to enable the WED to apply certain energy efficiency services to the customer's home.
2. Qualified customers may participate in this program any time after the effective date listed above, but only once per household.
3. The WED's energy conservation incentive programs and associated payments are provided to eligible customers on a first come, first serve basis, subject to the availability of funds in each fiscal year.
4. All WED residential customers shall be eligible for the HES program including customers who rent their living quarters. Renters must obtain permission from their property owners.

Policy No. E-3

5. Customers may need to provide a co-pay when participating in the HES program. These co-pays are described as follows:

<u>Customer's Primary Heating Source</u>	<u>Co-Pay Amount</u>
Electricity	\$0
Natural Gas	\$0 + any co-pay required by Yankee Gas or Southern Conn. Gas
Oil, Propane, Wood, or any deliverable fuel	\$0

6. Customers who participate in the Residential Home Energy Savings program shall agree that any capacity-related credits or payments that the customer may be eligible to receive as a result of the customer's participation in the program shall be fully assigned to the WED or its designee.
