Dear Vice Chairwoman Papale,

I am currently seeking your support for the alternate seat on the Wallingford Planning and Zoning Commission.

While currently a member of the Democratic Town Committee, I have lived in Wallingford all my life. I am proud to be a resident of Wallingford and believe strongly in its future. I am asking for a chance to earn a valuable experience in serving my community. I feel, as Wallingford grows, the Planning and Zoning Commission needs to take a good look ^{AT} its effect on our towns resources.

On February 15th, 1989, I received the nomination from the Democratic town committee for this seat. I now ask you to lend me the same support and confidence, and to put my name forward.

I am available to answer any questions you might have, feel free to contact me at (269-3704) at your convenience.

Sincerely,

Brian McDermott

Dear Mr. Killen,

As you are aware a vacancy for an alternate on the Zoning Board of Appeals has opened up as a result of Bonnie Rubenstein's appointment to regular member status. Zoning Board of Appeals as its name indicates requires interaction between government and the public it serves. A member is required to be an open-minded listener to all parties, evaluate all available information and render a just decision.

As a resident and Down Town Merchant of Wallingford this position offers me an opportunity to expand my service to the community.

It is my desire to obtain the Town Council's support and endorsement for the Z.B.A. alternate position.

Thank You
Sincerely,

Richard E. Scott

Vice Chairperson Wallingford Town Council

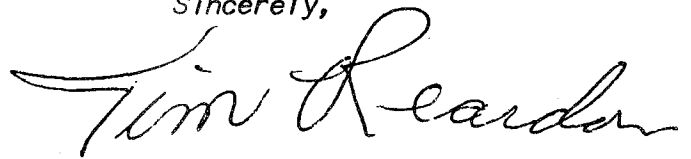

Dear Iris,

As you know, I have been involved in political service to the people of Wallingford since 1975. First as a member of the Board of Education and now as a member of the Board of Tax Review for the past 3 1/2 years.

My term on this board has expired and I would sincerely appreciate the Town Council's support in my bid for reappointment. With reevaluation coming up shortly I feel the town would best be served by an experienced Board. In the 3 1/2 years I have been on the Board I have a 100% attendance rate.

Thanking you in advance for your support.

Sincerely,

Tim Reardon
