Members Of The Council:

I regret that I cannot be at your meeting to present this request personally, but I have accepted a new position which entails extensive overnight travel, and will be away on business when you consider this.

With the reopening of the Oak Street Bridge, I would like to ask the Town Council to consider renaming the bridge to the Ralph Ives Bridge. Anyone involved in politics in Wallingford for the last several decades recognizes the many positions held and contributions made by Mr. Ives. Further, Ralph was a lifelong resident of Yalesville, and in fact lived on Hanover Street very close to the Oak Street Bridge. I personally had the privilege of serving with Ralph on the Board of Ethics for a number of years, and am honored to state that he was a friend; I also grew to know him as a man who loved this community and was proud to serve it in any way he could.

I believe it would be fitting and proper if this Yalesville bridge were named after a lifelong Yalesville resident and a major influence in the history of Yalesville and Wallingford. No one meets these criteria more appropriately than Ralph Ives, and I hope that the Council concurs with my suggestion for honoring him by naming this bridge after him.

Thank you for your time and consideration.

Respectfully,

Jim Krupp
