Dear Bert:

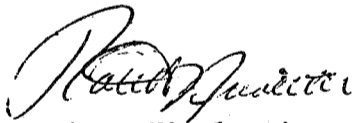

Please accept this letter, on behalf of the Board of Education, as affirmed notification that the Board has voted to proceed with the VO AG expansion to Lyman Hall High School (see attached BOE minutes).

I have submitted all of the necessary paper work, to the Bureau of Grants Processing, State Department of Education, in order to ensure the necessary fiscal reimbursement to the Town for this project.

Upon request from the chairman of the VO AG Building Committee, Edward Polanski, I am asking that the waiver of bid for the architect for the aforementioned project be removed from the table.

If I can be of any further help in this regard, please do not hesitate to contact me.

Sincerely,

Robert Nicoletti
Superintendent
