Wallingford Town Council  
Wallingford, Connecticut

Dear Bert:

Would you please include on the agenda for the meeting of January 24, 1989 consideration of the extension of the committee to investigate the computer purchase.

We need this extension of time to receive the report from the Town Attorney and also to receive the results of the Police investigation. After receiving this information we will be able to meet with the Board of Education.

Sincerely,

*Bob Parisi*
