1. A discussion was held regarding the state of the committee's request for an insert in the town electric bill. At the time of this meeting, the request remains unanswered by the Mayor's office for the better part of 5.5 weeks. An email requesting why no response has been generated from the Mayor was sent to Chairman Cervoni June 6th. He immediately responded stating he would look into the matter. At the time of this documents submittal, we continue to wait.
