

PUBLIC CELEBRATIONS COMMITTEE MEETING.

October 15, 2024

Room 203, Town Hall

Attending: Cheryl Ellison, Jackee MacNamee, Ruth Palmer, Roz Gallagher, Megan Foggitt, Liz Landow, Barbara Kapi, Whitney Mooney

The meeting was called to order at 5:30 p.m.

Seasons of Celebrations: A discussion to tie up loose ends for this event ensued. The hot chocolate will be provided by Choate School, but we must check past records as to the quantity we've needed in the past. The gingerbread decorating booth is still up in the air, depending on availability of help from LHHS. Elves on the shelf needs adoption forms printed up, with Cheryl keeping an eye on this task. Mickey Wells' chestnut roasting team is all set and will submit insurance coverage to Roz by November 15th to satisfy risk management requirements. The dance academy will perform at the gazebo at 5 p.m., with Johnny Roz in charge of music. The Ice carver is all set, with Liz suggesting that Park & Rec be contacted to get a deal for both the stroll and our event the next day. Floor mats are still needed from White Way Laundry. As agreed upon at the last meeting, a photo booth has been scheduled. Barbara is to research the availability of jungle bells from Oriental Trading Co.

Lastly, Cheryl Ellison made a motion that the committee order 6 folding tables, 8 foot length, to supplement our current supply. The price from Amazon was \$110 each.

All present agreed upon this motion. Cheryl will place the order for us.

The meeting ended at 6:10 p.m.

Respectfully submitted by B. Kapi, secretary
