The town agreed to purchase property at 352 Main Street (Route 150) in Yalesville, which will provide better street/sidewalk access to the planned new bicycle/pedestrian bridge to Fireworks Island.

Police Chief John Ventura agreed to the placement of a security camera at the labyrinth; he wants to see the signage wording first.

We should apply again for the ION Bank grant program. We should contact local businesses for sponsorship. Jay will look into a perpetual giving (legacy) program.

4. Signage: Sheila Dravis Cosgrove, Jay Cosgrove, Tom Knight, Melissa Hasselbarth

Two Pollinator Pathway aluminum signs have arrived. Sheila presented signs from various other parks and drafted language for a proposed new sign for each end of the trail. (This would be in addition to the Rotary grant sign that replaces the old sign and outdated map.) The most pressing need is for more signage about dog feces. Sheila will also look into placing an educational insert in town water or electric bills. A social media campaign may also help.
