We are now set up to receive donations via Zeffy.com. We can add a donation button to Facebook, and we can set up a merchandise page. David and Jay will add these to Facebook. At the June meeting, we will train members how to solicit and accept donations at public events.

The June 20 “Red, White & YOU” Parade kicks off at 10 AM. It is not yet known what time to set up. We will have our banner on poles mounted on wheeled bases, and we will carry Pollinator Pathway signs.

352 Main Street is scheduled for demolition in 2027 to make way for the new Yalesville trail access.

During the April 26 cleanup, Mary found unauthorized gardens at the end of the Turtle Trail—a small tree with bricks around it. Fred could not find the AmeriCorps sign at the start of the white side trail. David will replace it if necessary.

Mary will write a bond request for Wallingford and North Haven to study a connection to the Banton Quinnipiac Trail.

Fossil Graphics will soon produce the map and sign replacement for the Hall Avenue entrance.

The town got funding to install a series of adult fitness stations (a parcours) in the grassy field near Community Lake at the corner of the trail loop.
