Item 4 Co-Chair Announcements

Cathy & Jonathan suggested that perhaps the QRLT use the Horse and Carriage from the Winter Celebration for the Wallingford 350th Jubilee Parade instead of building a customized float.

Cathy attended a Coalition for Better Wallingford meeting, something along the lines of a get healthy passport building up to the Jubilee program. Perhaps the QRLT could be one of the passport stamps.

Some discussion was taken surrounding the Phase IV between Hall Avenue and Toelles Road. Cathy noted that some portions could be a stone dust trail.

Item 5 Town Engineer Report

A draft letter is in progress, will be reviewed, the final touches are being made. Cathy and Mary will then present to the committee, sign, and mail.

Rob mentioned Pedestal Q sign will be placed on the short hill parallel to Hall Avenue and face River Road itself.

The Town has awarded the contract to the vendor to install the split rail fence. This is a new vendor from Rhode Island and specializes in fences and guardrails.
