Cedar Knoll Carriages were contacted to see if they would be able to provide a team of horses for the Wallingford 350th Jubilee Parade in 2010.

Cathy sent Mary the Q4 & Q1 DEEP reports to fill out and submit to Laurie Giannotti. There will be one transaction for the Q2 billing for a Milone and MacBroome payment.

At the September meeting, we will need to get ready for Celebrate Wallingford. Cathy indicated that it might be possible to tie our "Steps to the 350th" program in with Coalition for their "passport". Elaine is pursuing a lead to see if she can get pedometers and/or we can identify a tracking program that is available online.

Mary reported on the Connectivity Grant which had been pulled due to the Transportation funding gap. Recently some money was restored to the Connectivity Grant program, so that might be possible source of

New Rules and Regulations Sign

Elaine brought in a draft of the Rules & Regs sign, with the map. She suggested that it be put into fossil resin, which weathers very nicely. Cathy and Elaine will determine colors, fonts, logos and such with an eye towards being consistent with all the other trail signs. The map itself could be updated and have a more accurate, current trail configuration.

Joellen inquired about putting a plaque on the new bench. The QRLTAC feels it is better to avoid plaques and put a notice in the Kiosk.
