Minutes

May 2, 2019

Wallingford Town Hall

Room 205

7:00 P.M.

Item 1 Call to Order

Regular meeting of the QRLTAC called to order at 7:06 PM

Item 2 Introduction of Guests and New Members

None

Item 3 Approve Minutes from April 4, 2019

Motion: Tim; Second: Arleen; Motion: Passed

Item 4 Co-Chair Announcements

Cathy noted that Wallingford Public Works removed some silt from the bridge. There are several falling limbs that could be removed.

The top rail of the bridge needs another coat of dark stain, Cathy is enquiring if anyone has it. It would be good to match all benches to the same color.

Cathy will discuss with Park & Rec to see who is using the storage unit in the Pavilion, it would be nice for the QRLTAC to use part of it.

It is suggested that the QRLTAC work on the sponsorship letters during our June 2019 meeting. The goal is to produce letters to suggest sponsorship or brick sales. It would be nice to clean up the kiosk near the northern end of the Hall Avenue parking lot.

Tim made a motion to purchase two bricks for AJ Cannelli and Neil's Donuts to thank them for years of service and donations during trail events. **Motion:** Tim; **Second:** Joellen, **Motion:** Passed:

The dogwood near Fireworks Island has not yet been identified, once it has been, the QRLTAC will have a discussion with the family regarding the MADD plaque.

The new graphics have been placed on the Fireworks Island kiosk. The Hal Avenue welcome signs are still in progress, possibly we can possibly have an unveiling in September 2019. Fossil Graphics is waiting for input to produce the forthcoming maps.

There is an invitation to apply for a funding grant that can be applied for, Town Engineer Rob Baltramaitis will write that up. The deadline is the end of May 2019.

Mary was able to reload some of the Linear Trail budget at the state of Connecticut Legislature.

Mary submitted the insurance rebate in April, awaiting the refund from DEEP for the liability insurance required on the Grant project.

The North Haven Trail installed large brown & white directional signs, the QRLTAC could do something similar.

Item 5 Town Engineer Report

None

Item 6 Subcommittee Reports

- 1) Environmental Design: Open
- 2) Publicity / Financial: Operating \$3,377.62; Corporate Balance \$10,896.00
- 3) Grants & Applications

Item 7 Public Q&A
