There is knotweed in places along the trail, IWWC might need to assist with eradication.

The Holiday Carriage Ride: A few choruses and choirs are checking schedules; the Enchanted Mailbox is going to be requested again.

The three gardens (two @ Labyrinth, one on Fireworks Island) need to be covered with newspaper and then mulched.

Several topics surrounding the Trail Cleanup Day on November 3rd (rain date of November 10th) were discussed, areas needing weeding, the labyrinth, and some roles were pre-defined. Staining benches and railings with Behr is scheduled.

Mary spoke with Rob Baltramaitis and is getting the tests 1, 2 & 3 for the Quinnipiac River raceway pedestrian bridge, the grant funds may need to move between DEEP, the Town and the engineering firm to finalize payment. We do have confirmation for DEEP that this is approved.

The QRLTAC is still pending the insurance reimbursement that DEEP mandated as part of the grant.
