ATTN: Vincent Cervoni, Chairman

Dear Council Members:

Our departments of Health and Youth and social Services, and the Coalition for a Better Wallingford are coordinating an effort to inform citizens about the health risks inherent in marijuana use and the need for medical testing prior to encouraging public use. The requested transfer of \$4,400.00, in combination with funds from Youth and Social Services and Coalition for a Better Wallingford, will enable us to alert Connecticut citizens about this major health risk. We will be at the meeting to answer questions.

Sincerely,

William W. Dickinson, Jr.
Mayor
