**NOTICE TO THE PUBLIC AND APPLICANTS**

This is a public meeting and applicants and the public are welcome. There is no public comment, however, and applicants will not be invited participate in the discussions. We anticipate that work on the applications may begin around 6:45 p.m., as the committee needs to first address other business at 6:30 p.m.

Discussions on each application may take approximately 15-45 minutes. But that's a rough guess. Applicants, please feel free to come and observe the entire meeting from the beginning, or come a little later if you don't want to sit through the discussions on applications that are scheduled before yours.

In accordance with Title II of the Americans with Disabilities Act, individuals in need of auxiliary aids for effective communications in programs and services of the Town of Wallingford are invited to make their needs and preferences known to the ADA Compliance Coordinator at 203-294-2070.
