OFFICE OF THE MAYOR
TOWN OF WALLINGFORD
CONNECTICUT

WILLIAM W. DICKINSON, JR.
MAYOR

December 12, 1996

Wallingford Town Council
45 South Main Street
Wallingford, CT 06492

Att: Robert F. Parisi, Council Chairman

Dear Council Members,

The Town recently received bids for the operation of the Resident Disposal Program and the Recycling Center. A copy of the bid tabulation is attached. Under Part A of the bid, the Resident Disposal Program, the bid is being awarded to the low bidder, Wallingford Resident Disposal, Inc.

Under Part B, the operation of the Recycling Center, the two lower bids did not conform to the bid specifications. Also, all bidders proposed a significant increase in cost to the Town, ranging from sixty-eight percent to ninety-seven percent above the current cost.

The Ad Hoc Committee recommended that the Town reject all bids for the operation of the Recycling Center. The Committee also recommended that the Town attempt to negotiate with the current Recycling Center Operator, Stratford Baling Company, to extend its current contract. This would provide time to revise the bid specifications and re-bid the service.

I am, therefore, seeking Town Council authorization to waive the bid for the operation of the Recycling Center and to negotiate with Stratford Baling Company to extend the term of its current contract. If negotiations are successful, the terms will be brought to the Council for approval.

If you have questions about this matter, please call Don Roe or Phil Hamel at 294-2060.

Sincerely,

William W. Dickinson, Jr.
Mayor
