His Honor the Mayor William W. Dickinson, Jr.
Town of Wallingford, Connecticut

Dear Mayor Dickinson:

I am asking you to serve as the Honorary Chairman of the Vincent T. McManus 12 Speed Bicycle Fund.

As you know, Attorney McManus, a loyal and devoted legal servant of the Town of Wallingford has agreed to defend the good name and reputation of your town. However, he is handicapped in his quest by using a one speed (Sears) bicycle! This, the citizens of Wallingford will admit, is grossly unfair.

Therefore, I trust you will agree to chair this noble cause, bringing to it all our political savy, energy and leadership which it so truly deserves.

Enclose is my personal check for five dollars. I am certain we can reach our goal of \$150 in time for Mr McManus' bicycle tour.

Very truly yours,

Lee Sataline
