1. Consider and Approve appropriation of funds in the amount of \$700,000 to Revenue CRRA Distribution Acct. #200-1050-050-500 and to Property Acquisition-Dibble Edge Partners LLC Acct. #200-1403-818-7010 to settle the pending litigation of Dibble Edge Partners LLC v. Town of Wallingford resulting in the purchase of 35 acres of land off of Dibble Edge Road
- Town Attorney

Town Attorney, Janis Small, said that as discussed in Executive Session is a resolution of pending litigation between the Town and Dibble Edge Partners LLC. The litigation is from May 2005 with the actual lawsuit filed in 2006, and it is still pending. She said that commenced the trial and reached a resolution of the case with the Council's authorization. The resolution of the case results in the purchase of 35 acres of land by the Town of Wallingford for \$700,000. She referred to the map of the property on display. She said that the address would be just Dibble Edge Road. It abuts approximately 90 acres owned by the Town of Wallingford land. This purchase adds 35 acres to that land. She said that the Town paid for the 90 acres \$3.6 million, which is approximately \$40,000 per acre, and the Dibble Edge Road would be approximately \$20,000 per acre. This is in the context of a resolution of pending litigation, a litigation that she guarantees would have gone up on the P.O. She said it would have been protracted litigation for the next two to three years. She said that the Council authorized her to resolve the matter in this fashion and that we are here tonight to appropriate the funds in order to do so.

Ms. Rascati said that once we make this settlement, we have to come up with the money right away, right. Attorney Small said that was correct, and once the Council authorizes that we are committed to it, then you are committed to funding it, so you can't wait like we might over a two-month period or so. We don't have that time when you authorize a resolution.
